## Presentation Format and Related Regulations

1. Each group is limited to 2-3 students, and each school can only have 1 group, with a total of 6 groups.

2. The content of the presentation should be in English, and it is recommended that the number of pages should not exceed 12 (including the cover and end pages).

3. The cover of the presentation should include the school emblem, the title of the report, the name of the presenter, and the name of the school. An example is shown in the figure below:

4. The presentation time for each group is 10 minutes. A bell will ring once at 9 minutes to remind that the time limit is approaching, and twice at 10 minutes to indicate that the time is up.

5. Participating student representatives from each school should upload a complete presentation PDF file on the Google registration form.

6. The presentation should be operated by the participating team themselves, and the presentation file cannot be changed during the event.
