## National Cheng Kung University –

### 2024 Empowerment Program for Elementary and Secondary School Teachers

In order to cultivate primary and secondary school teachers with international vision and practical ability, the K-12 Education Administration, Ministry of Education entrusted the National Cheng Kung University to implement the 2024 Empowerment Program for Elementary and Secondary School Teachers and selected 30 teachers to go to Queensland, Australia in July. A 14-day lesson observation and environmental education experience activity, and a results sharing session was held after returning to Taiwan. Through the exchange of experiences between overseas visiting teachers and domestic observing teachers, the concept of education at home and abroad can be deepened, thereby promoting the innovative development of education.

More than 100 teachers from all over Taiwan participated in the 2024 Empowerment Program for Elementary and Secondary School Teachers, learning deeply from experience, increasing their abilities, and looking forward to future opportunities to

The elementary teachers in the subgroup shared their reflections on international education curriculum design after returning to Taiwan, and the review and feedbacks were provided by professors to optimize the curriculum and expand its benefits.
