**Class 6:  
Feedback and Reflection**

2021 Chongming Junior High

# Reflective Thinking

What was  
easy?

What was  
hard?

How are you  
doing it?

What did I  
learn?

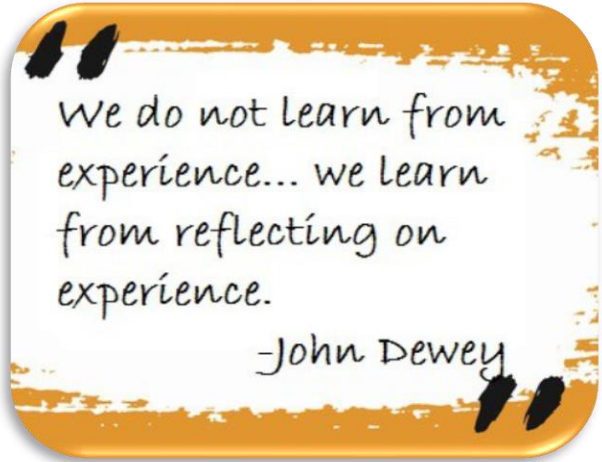

What are you  
working on?

How will you use  
it in the future?

# Reflection:

What does  
it mean?

We do not learn from  
experience... we learn  
from reflecting on  
experience.

-John Dewey

Reflection is an important part of learning.  
It helps us see what we've learned,  
what we've improved on, and how  
we can improve in the future.
