

The 3Rs Of Syrian Civil War

- **Reason**

Syrians want jobs and freedom. They fight for rights. However, the government uses force to stop them.

- **Results**

9 years on, Syria is still at war. Cities were destroyed. Half a million people have died or are missing. 11.1 million people need food, water, money and homes.

Source: UNICEF, 2019

- **Refugees**

A person who has been forced to go to other countries and who cannot return home safely.
