I hope this letter finds you happy. I am proud of your work in the field of girl's education. I am quite amazed at your strength and courage. You faced so many discouragements and threats but you have overcome. Also, congratulations on winning the Nobel Peace Prize in 2014. Your charitable organization, the Malala Fund, provides education and help to the poor and deprived girls of the world. That is so cool!

I wish you all the best in the future and I aspire to be like you in the future. Thank you for your willingness to stand up for women's equality. Now I have a school where I can study hard.

Sincerely yours,
